Badger Knife Club
30 Years Strong

2016 Badger Knife Club Knife

The 2016 Badger Club Knife Club Knife was selected and announced at the January 2016 meeting. It is the Queen Cutlery #06QC Easy Open Teardrop Jack with jigged bone handle. It is becoming more difficult to find USA cutlery companies willing to deal with knife clubs in obtaining their annual club knives. Out of the six or seven companies that we contacted, only Queen Cutlery responded. Therefore, we were limited in our selection.

However, out of those that were not like any of our prior club knives, the Easy Opener Teardrop Jack was the one that was chosen. It is a traditional and favorite early pattern. It is a fun pattern to many collectors because it is an easy one to quickly spot on a dealer's table display. It is a beautiful and well made knife that will enhance your collection.

The order form can be downloaded so that you can print it out and return to the Club along with your payment.
