Important Notice

The regular meeting of the Badger Knife Club on Sunday, January 27, 2019, has been **CANCELLED** and will not be rescheduled. This decision was based on the extreme winter weather conditions that will prevail on Sunday afternoon and evening that could prove to be extremely hazardous. Also, we were not able to schedule a featured program for the meeting.

The next meeting will be Sunday, April 28, 2019, and will feature a program on meteoritic metals use in knife blades. It should prove to be a heavenly meeting!

Plan on attending the Badger Knife Show on March 29, 30 and 31, 2019 at the Janesville Conference Center.

Check out the Badger Knife Club web site for additional information.
