## **Table Holders, Vendors and Badger Knife Club Members RE: 2020 Badger Knife Show**

The 2020 Badger Knife Show will not be held due to the *Medical State of Emergency* caused by the reaction to the COVID-19 (Coronavirus) situation.

**BE SURE TO CANCEL ANY HOTEL ROOM RESERVATIONS NOW. ASK FOR A CANCELLATION CONFIRMATION NUMBER FOR YOUR RECORDS.**

Trying to reschedule the show presents many challenges to consider:

1. Not knowing how long this situation will last. We can't select a date only to have to cancel again.
2. Selecting a weekend that is available at the Conference Center.
3. Selecting a weekend that does not conflict with other scheduled knife and collectible shows that table holders and vendors are already committed to attend.

Therefore, the next Annual Badger Knife Show will be **March 26, 27 & 28, 2021**, at the Janesville Conference Center. Table registration/reservations will be carried forward to next year's show. This guarantees the number of tables you have and location in the Center.

The Badger Knife Club has already paid many expenses incurred in the production of this year's show that we cannot get back, including but not limited to printing, postage, advertising and telephone to name a few. Giving refunds would cause a serious cash flow problem. That is the reason it is most equitable to the table holders and the Badger Knife Club.

However, if an emergency such as an illness, accident or death occurs 30 days prior to the 2021 show, you can receive a refund.

Any other requests for a refund would cause you to lose any guarantee for a table. You would be put at the end of the waiting list for a table at next year's show or any following year's shows.

If you have any change of address or of your email, please inform the club so we can keep you updated.

Sincerely,

Robert G. Schrap
